Subject: Regarding the consultancy services for Determination of density and compressive strength for two samples and determination of dimensional stability and horizontal burning characteristic for one sample

Dear Sir,

As per the communication done we are ready to opt for the consultancy services for density and compressive strength for two samples and determination of dimensional stability and horizontal burning characteristics for the samples. The company approved a total sum of Rs. 4.50 lakh for this service.

Looking forward towards your requirements and hope for the successful relationship with the company.
