Dear Sir,

We are pleased to inform you that we have accepted the proposal for the project on Mushroom Cultivation. We were most impressed with your comprehensive understanding of the scope of the project and confidence in being able to complete the project on or before the assigned deadline. We would like to offer you Rs.4.0 Lakh (Four Lakhs Only) as the compensation for this project. The project begins in one month time so we need to begin discussing details immediately.

We would like to arrange a personal meeting (Online) where we could review the project specifications and share the necessary documents for paper work. We are excited to get this project underway and we hope that this is just beginning of a long and mutually beneficial business relationship.

We would like to thank you for submitting your proposal and for satisfying all of the requirements in professional manner. We look forward to hearing back from you at your earliest.
