Subject: Consultancy sanction for Contact less Attendance Monitoring System

Dear Sir,

As per your mail regarding the consultancy offered for the development of contactless Attendance Monitoring System, We are pleased to let you know that looking after the present scenario of COVID-19, we are looking for a system for the attendance monitoring of our employees in remote location as well as in the office premises.

In the same we would like to share that Rs. 4.2 Lakh is sanctioned from the company for the development and installation of the system along with the mobile application for remote attendance monitoring.

Looking forward for the response regarding the next phases of development.

Regards
