Sub: Sanctioned research project on "Finger print detection and monitoring system".

Dear Sir

As per our discussion and the earlier mail dated 20/09/2017 regarding a collaborative approach for the research project on Finger print detection and monitoring system, we are ready to allocate a total sum of **Rs. 8,50,000 for this project.**

We will provide the raw data and the platform related to this project. The investigators are required to provide a proper solution with the ready module to be implemented in the company.

All the terms and conditions are applied as per the discussion with you. The company will periodically supervise and monitor the progress of the project.
