**BRIEF REPORT OF THE SEMINAR**

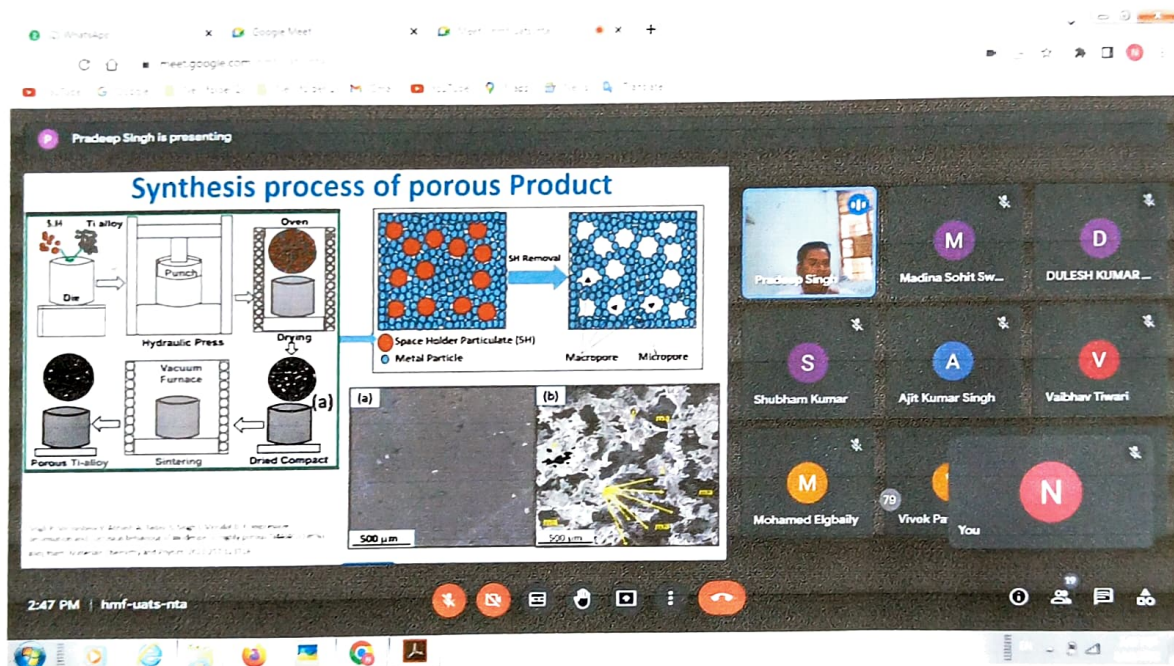

One day online seminar on “Manufacturing by Powder Metallurgy Process” was organized by Department of Engineering with Internal Quality Assurance Cell (IQAC), Dr. C.V. Raman University, Kota, Bilaspur (C.G.) with Department of Mechanical Engineering, Siddhivinayak Technical Campus, Khamgaon Road, Shegaon, Maharashtra on 16/06/2022. The Lecture was delivered by Mr. Pradeep Singh, Assistant Professor, Department of Mechanical Engineering STC, Shegaon and Dr. Harsh Kumar Pandey, Associate Prof., Department of Engineering, Dr. C. V. Raman University, Bilaspur (C.G.).

The main objective of this seminar was to become sharing knowledge of manufacturing process by powder metallurgy method in a research perspective. This type of process would be suited to replace traditional methods for manufacturing of fine products.

In order to enrich all the participants with his knowledge, Mr. Pradeep Singh, Assistant Professor from STC, Shegaon (MH) was invited as Keynote speaker for this event. A total of 87 participants had participated in this online event. He introduced the various steps to manufacture product from atomization to sintered process.

Honorable Vice Chancellor, Professor, Dr. R.P. Dubey in his presidential address, he spoken that keeping in mind with the problem of employment in the present era, there is a need to promote advanced manufacturing techniques based courses in this field. Besides these talk Mr. Pradeep also suggested through career opportunities about the manufacturing based statups and jobs. Mr. Nitin Shukla, Mr. Narendra Kumar Patel, Mr. Abhijeet Gupta and Miss Shivani Sharma were present online in this event.

At the end of the session, Dr. Harsh Pandey expressed gratitude to all the dignitaries, expert, faculty members and participants of the seminar. He also thanked the people who directly or indirectly helped in making the event a success.
