Report of the Program

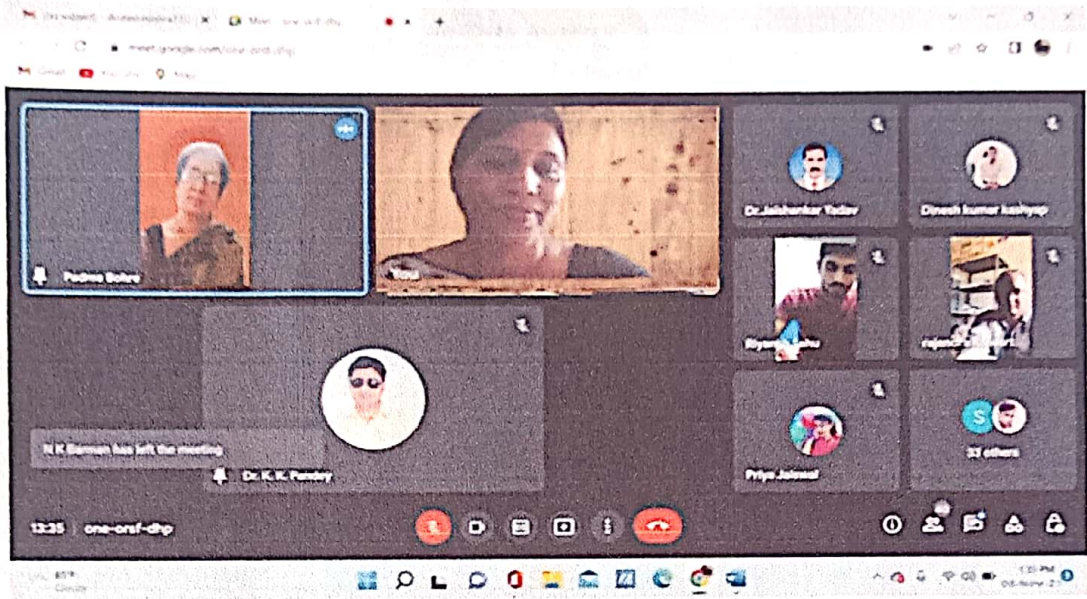

One day invited Talk was organized by Department of Education, Dr.C.V,Raman,University Kota,Bilaspur in Collaboration with Govt. Madan Lal Shukla PG College Seepat Bilaspur on 08 Nov 2021. Invited Talk was held on title data analysis'. Invited Talk was started with welcoming our resource person **Dr Padma Bohre**, Professor, Department of Education, Pt. Harishankar Shukla, College ,Raipur, Dr.Ritesh Mishra welcomed the guest and all participants ,she also mentioned the aim of the invited Talk and said that

The main goal of this invited Talk to help the budding researchers; they will be able to get acquainted with the necessary precautions to be taken while compiling the data. Researchers will be able to learn to be more careful in obtaining data from primary sources. There was also sub- themes was roles of

data analysis in research. Methods of data collection. Concept & types of data. Methods of data analysis in research. Our Resource person started the session and described and discussed about Data collection and analysis where methods are like, observation, surveys, interviews, focus groups, experiments grounded theory etc. some of the methods covered here are quantitative, dealing with something that can be counted,. Others are qualitative, meaning that they consider factors other than numerical values. Data analysis can take various formats. The methods you choose depends on the subject matter of your research. Session was very interactive and informative as well our PG students asked their queries. at the end of the session Dr. Jayshankar Yadav presented the vote of thanks.
