Brief Report-

One Day National Seminar was organized on November 03, 2020 under the Department of Social Science & IQAC of Dr. C.V. Raman University and Kalyan Post Graduate College Bhilai Nagar (Autonomous College) C.G. The main theme of this One Day National Seminar was Techniques of Quantitative and Qualitative Research. The program was inaugurated by the Dean of Arts Dr. Sangeeta Singh. The Seminar has started after veneration and invocation of goddess of Knowledge Maa Saraswati. She welcomed the Special Spoke persons of the Event. Honorable Principal of the Kalyan Post Graduate College Bhilai Nagar (Autonomous College) C.G. Dr. L. R. Verma gave information on the topic of Techniques of Quantitative and Qualitative Research.

The first session of this program was started by the keynote speaker Dr. K.K. Sharma, Associate Professor, D.P. Vipra PG College Bilaspur, CG. He highlighted the steps of proper review of Techniques of Quantitative and Qualitative Research. He differentiates between Qualitative and Quantitative Research. He told about the key fields of research and learning to differentiate between one and the other. In the field of business, science and technology, economics, etc.

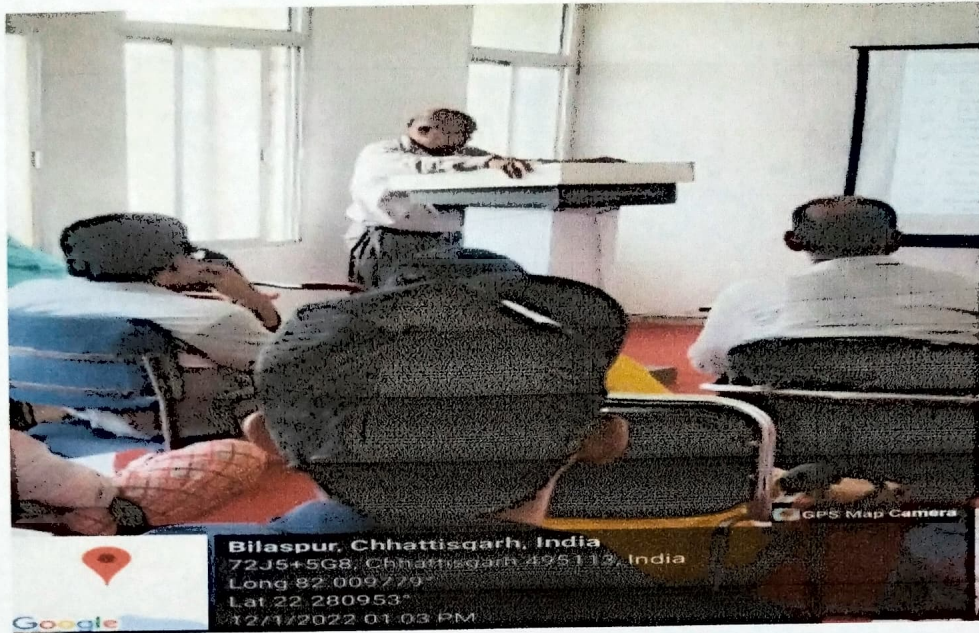

Lecture given by keynote speaker Dr. K.K. Sharma

Second session started by the esteemed speaker Dr. A.K. Pandey Assistant Professor Economics, Gramya Bharti College Hardi Bazar, Korba, CG. He told about Techniques of Quantitative and Qualitative Research and their main Scenario. Dr Pandey said, why do We Need Quantitative and Qualitative Research? Quantitative research is useful in order to gain an understanding of the underlying opinions, motivations, and reasons. It gives insights into the problems. Also, quantitative research helps to develop the ideas and hypothesis. Whereas qualitative research is also useful in uncovering the trends, ideas and opinions, and gives deeper insights into the problem.
