2. Organized By- Department of Life Science
3. Date- 18/04/2022
4. Venue – Dr. CV Raman University. Kargi Road, Kota, Bilaspur (C.G.)
5. Collaboration/Association- D Strand Research Laboratories Pvt. Ltd.
6. Duration Nos- 1 Day
7. Total Number of Participants- 86
8. Mode of conduction (Online/offline)- Online
9. Type/Nature & Level of event- Seminar
10. Brief Description

11. Introduction:

A One Day E-Seminar on Biodiversity and Sustainable Development was organized at Dr. CV Raman University by the department of Life science in association with D Strand Research Laboratories Pvt. Ltd. on 18/04/2022. The seminar was inaugurated by **Prof. R. K. Singh** by presenting a plant sapling. During the official function, **Prof. Shweta Sao**, Head of The Department of Life Science welcomed the dignitaries and the students.

The first session of the seminar was conducted by **Dr. Latika Bhatiya** from Atal Bihari Vajpayee University on the topic “**Biodiversity: Conservation & its Issues**”. She spoke about the marine biodiversity of India, its importance, threats faced and the need to protect our marine ecosystem. The session ended with a short group discussion followed by the vote of thanks.

The second session was conducted by **Prof. A. K. Dixit** Head Department of Botany Guru Ghasidas University on the topic “**Biodiversity Conservation: Issues and Ecological Perspective**”. He gave an insight into the proud history of the Western Ghats and the endemic species and the issues associated. The session concluded with an interactive session followed by a word of thanks for the speakers.
